NUSD Trustees Seek Community Input Friday, February 13, 5 pm

The Board of Trustees of the Novato Unified School District will select a new district superintendent this spring. Community input about the preferred characteristics to be used in recruiting and selecting this person is desired. The Trustees are soliciting input to respond to the question: What personal and professional qualities for an incoming superintendent will be a match for the Novato Unified School District?

Leadership Associates was selected to advise the Trustees in this important process. A Community Input Forum will be held on Friday, February 13, at 5 pm in the Board Room at the District Office. No appointment is necessary to attend and participate in the Community Input Forum where your ideas will be heard and where you can learn about the process,

Individual input from members of the community (parents, employees and others interested in our district) is desired. Input may also be offered through fax, letter or email; direct telephone conversation may also be arranged. You may send a fax to (760) 771-4277 or an email to lhunt@leadershipassociates.org. To speak by phone to either Dr. Kent Bechler or Mr. Richard Thome, please call (760) 771-4277.

Additionally, an online survey will be available on the District's website (www.nUSD.org) until March 23, 2015, and can be accessed via this link:
