Students must be aware of their responsibility to use the Internet in a careful and suitable manner. Although the district uses a CIPA (Children’s Internet Protection Act) compliant Internet filter, it is not possible to restrict access to all materials that may be interpreted as objectionable. The parent/guardian acknowledges the district will not be held responsible for materials accessed on the Internet.

Additionally, accounts provided to students under the age of 13 are limited to sending and receiving email to and from school staff and students.
