Elementary School Size Committee  
Meeting #4 Notes

All notes and handouts can be found on the Elementary School Size Committee webpage.

Agenda – Below is the agenda for the meeting.

Facilitator Suzanne Speck gave a presentation that reviewed the Committee’s work over the past couple of months. (Presentation can be found here.)

Ms. Speck then asked the Committee if they could agree on the following Recommendation:

The Committee agreed on this Recommendation.
The Committee then moved on to rate savings, revenue generating, and efficiency ideas they brainstormed at the December 17, 2018, meeting.

- **Generation/New & Revised Programs**
  - Expand dual enrollment (using COM/SRJC)
  - Expand Saturday Academy
  - Corporate Sponsors

- **Facility Use/Property Sales & Rentals**
  1. Rent out space for pre-school
  2. Move D.O. to Hill & rent out space in either
  3. Look at rental option, across district & local restrictions

- **Parcel Tax/Marketing**
  - Parcel tax revision
    - Immediate increase, then 4% yearly
  - Market benefits of local schools (including specialized programs)
  - Open enrollment (accept more/all transfer requests)
    - Let families know earlier in the year
To conclude the meeting, Ms. Speck asked the Committee to identify the positives of the Committee experience and what changes would they make.

Superintendent Hogeboom presented the Committee recommendations to the NUSD Board of Trustees on February 12, 2019. Here is a link to that presentation, it is [Item 13.b](#).
